

CVRDA CLASSICS at CLYWEDOG
Jul 9-10th 2016

Clywedog S C invite owners of Classic Dinghies to this annual celebration of sail. Join us for a great weekend of friendly rivalry and the legendary Clywedog hospitality

Entry Qualification :

The ethos of the CVRDA is simple. The class must have been designed before 1965, and built before 1985 to qualify. GRP is as welcome as wood and most of the boats have the sort of finish associated with boats which get used regularly, rather than dusted once a month. As 1965 is a key date for the association, it was decided to use Yardsticks from then.

Camping & Caravan Facilities at the club (come early or stay longer that's fine)

Full catering facilities at the club, snacks, homecooked cakes, drinks , evening meal

Great value We are looking at keeping cost down to around £20.00 (helm & crew) for entry/camping all in for the weekend . Camping/caravan extra nights £3.00 per person a night

Programme of events (provisional) Starting on Sat with arrivals and practice sailing with the main races on Sunday using 1965 PY No's (with + or - adjustment according to state of tune) Social & meal with bar on Saturday night and a sailing themed quiz by Julian from Port Dinorwic
