

CLYWEDOG SAILING CLUB NEWSLETTER

September 2018

Hi All

Sorry a tad late this month but we were busy preparing for the CVRDA weekend which was held last weekend. A Great turnout of 17 visiting boats. As always it was a great weekend with a real buzz around the club. Many thanks to all the helpers who made it possible, this is one of the highlights of the CVRDA calendar and looked forward to by everyone in the CVRDA.

We took delivery of the new Hansa dinghies, as reported last month and we are holding a taster session for those with limited mobility to come and have a trial sail this Sunday 23rd Sept.

We have also purchased a rib to replace No 1 safety boat. This has a 50hp engine so initially our proposal is to nominate helms and to slowly give all qualified helms some tuition and guidance as to operation. Rib 2 is available for Sunday Duties.

We are fast coming to the end of the season and we are looking for new faces to come and help keep the club moving forward. As you may know, I said I would run as Commodore for 2017 but I will be standing down this October and hope to give some time to my other hobbies and pursuits. The Nomination sheet for 2018 Committee and Officers is now on the Notice Board. We have a number of vacancies including Vice Commodore, Sailing Sec, Social Sec, and space on the general Committee. The club is only as good as the volunteers who so willingly give their time, we have many plans but we need you the members to help us realize them.

The water level seems to have stabilised, and is in fact quickly rising again, so if you have craft on the beach or cruisers on moorings please keep checking them, we have had to rescue two already. It is your responsibility to ensure your craft is safe.

*As usual a please keep checking our social media pages and website for "Breaking News"
