

Hi Sarah,

Thanks for your email regarding the AGM. I have two topics I wish to discuss.

1). The setting up and approval of SUP Club to be run under the umbrella of the Sailing club (I am happy to present my idea to the members and committee for comment and approval).

2) The policy regarding businesses on the committee. Should private businesses be on the committee or not? and if so how it will work to be fair for all of the businesses involved? I think this should go to a members vote as Clywedog sailing club is a members club and they should get the say on whether they are comfortable with businesses on the committee or not ?

Many Thanks

Andy Jobling
