

## **CLYWEDOG POLICY for LONE SAILING, PADDLING, CANOEING**

Hafren Dyfrdwy/Severn Trent has asked the Committee to advise members and visitors to follow guidelines to promote a safer environment for sailing/paddling without wishing to prohibit activity, Clywedog is a remote location so these precautions are in your own interest and will satisfy the Water Authority to allow us to continue to provide access.

Members choosing to use the lake when there is no scheduled safety cover and especially when the clubhouse is closed down over winter must take into consideration the weather conditions and evaluate their abilities to handle an emergency situation without support.

### **This means:**

Be aware of the weather conditions and forecast.

Wear appropriate clothing, a buoyancy aid and carry some means of attracting attention - there is actually a phone signal on part of the lake,

Let a 3rd party know your schedule, and have an emergency contact onshore.

Canoeists and Paddleboarders go out in 3's, and have an emergency contact onshore.

All on water activity is restricted to daylight hours.

**There is an emergency phone in the yellow container on the wall outside the OD office.**

**If asked**

**the club phone number is 01686 412631**

**the Club Grid Ref is 52°28'37.0"N 3°37'09.4"W**

**What Three Words reference is
